

### Main

|                   |   |
|-------------------|---|
| Device short name | XCSA  |
| Enclosure type    | Dust and damp proof enclosure for indoor/outdoor<br>Corrosion resistance enclosure for indoor/outdoor |

### Complementary

|                               |                               |
|-------------------------------|-------------------------------|
| [In] rated current            | 10 A                          |
| Actuator                      | Key                           |
| Contact operation             | Slow-break, break before make |
| Contacts type and composition | 1 NO/2 NC                     |
| Depth                         | 43.94 mm                      |
| Enclosure material            | metal enclosure               |
| Height                        | 113.54 mm                     |
| Locking options description   | Without locking of actuator   |
| Number of poles               | 3                             |
| Permissible voltage           | 300 V AC                      |
| Pilot light                   | LED orange 24/48 V            |

### Environment

|                                       |              |
|---------------------------------------|--------------|
| Ambient air temperature for operation | -13...158 °F |
| IP degree of protection               | IP67         |
| NEMA degree of protection             | NEMA 4/4X/12 |

### Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 5.0 cm    |
| Package 1 Width              | 6.7 cm    |
| Package 1 Length             | 12.0 cm   |
| Package 1 Weight             | 635.029 g |

### Offer Sustainability

|  |   |
|--|---|
| Circularity Profile                        | No need of specific recycling operations  |
| California proposition 65                  | WARNING: This product can expose you to chemicals including: Diisononyl phthalate (DINP), which is known to the State of California to cause cancer, and Di-isodecyl phthalate (DIDP), which is known to the State of California to cause birth defects or other reproductive harm.
